RELIEF SOUGHT:	Issuance of a Fifth Amended Supplemental ) Order Amending Prior Orders Affecting ) SLW8 Drilling Unit to Provide: (1) for the ) Calculation of Those Funds the ) Unit Operator Deposited into the Escrow ) Account for Tracts 45, 56A, 58 and 58A ) of the SLW8 Drilling Unit; ) (2) to Provide to Applicants a Royalty ) Accounting; ) (3) Disbursement to Torch and Coal ) Mountain in Accordance with Their ) Agreement All of Those Funds Deposited ) by the Unit Operator into the SLW8 ) Escrow Account for Tract 45; ) (4) Disbursement to Torch and PGP ) in Accordance with Their Agreement All of ) Those Funds Deposited by the Unit ) Operator into the SLW8 Escrow Account ) for Tract 56A; and ) (5) Disbursement to Coal Mountain and ) Garden in Accordance with Their ) Agreement ) All of Those Funds ) Deposited by the Unit Operator into the ) SLW8 Escrow Account For Tracts 58 and ) 58A. )	

**REPORT OF THE BOARD**

**FINDINGS AND ORDER**

1. **Hearing Date and Place:** This matter came on for final hearing before the Virginia Gas and Oil Board (herein "Board") at 9:00 a.m. on July 20, 1999 at the Dickenson Conference Room, Southwest Virginia Education 4-H Center, Abingdon, VA.
2. **Appearances:** Sandra Fraley of the firm Penn Stuart appeared on behalf of the Applicants; Pocahontas Gas Partnership (herein "Unit Operator"); and Sandra B. Riggs, Assistant Attorney General, was present to advise the Board.

3. **Jurisdiction and Notice:** Pursuant to Va. Code §§ 45.1-361.1 *et seq.*, and in particular Va. Code §§ 45.1-361.21 and 45.1-361.22, the Board finds that it has jurisdiction over the establishment and maintenance of an escrow account for each of the coalbed methane gas drilling units established by the Board through its pooling orders, and that the Unit Operator is required to deposit, as applicable, those funds specified in Va. Code § 45.1-361.21.D., 45.1-361.22.A.2, 45.1-361.22.A.3 and 45.1-361.22.A.4 into the applicable escrow account. Further, the Board finds: (1) that it does not have jurisdiction to resolve conflicting claims to the ownership of the Coalbed Methane Gas produced by the Unit Operator from wells located on Subject Drilling Unit, (2) that it does not have jurisdiction to interpret voluntary agreements by and between the Gas owners/claimants and/or the Unit Operators or to abridge or contravene the provisions of such agreements, but (3) pursuant to Va. Code § 45.1-361.22.A.5, the Board does have jurisdiction and authority to disburse funds from the Escrow Account provided the Board has been provided with (a) a final decision of a court of competent jurisdiction adjudicating the ownership of coalbed methane gas as between the conflicting claimants or (b) an agreement among all claimants owning conflicting estates in the tract in question or any undivided interest therein.

4. **Prior Proceedings:**

- 4.1. Drilling Unit Number SLW8 was created by Board Order effective as of February 18, 1992, Docket No. VGOB 92/01/21-0180 as amended by Board Orders in VGOB Docket Nos. 93/06/22-0385 and 95/04/18-0498 (herein "Subject Drilling Unit") in the Hurricane Magisterial District, Buchanan County, Virginia (herein "Subject Lands"). At the Board's hearing on April 21, 1992, for Docket No. VGOB 92-04/21-0216, in accordance with the provisions of Va. Code §§ 45.1-361.21 and 45.1-361.22, the Board granted the relief sought by PGP and executed an Order dated July 27, 1992 and filed July 30, 1992 with the Clerk of the Circuit Court of Buchanan County, VA in Deed Book 396 at Page 75, as amended by Order executed August 14, 1992 and filed August 19, 1992 in Deed Book 396 at Page 764, and as further modified by Order entered in VGOB Docket No. 93-0817-0392 on October 25, 1993 and filed on October 29 1993 in Deed Book 415 at Page 195 (herein collectively "Pooling Order") pooling all interests in the Subject Drilling Unit for the production of gas produced from coalbeds and rock strata associated therewith (herein "Coalbed Methane Gas" or "Gas") below the Tiller seam from active gob areas from a longwall panel and its surrounding area in Consolidation Coal Company's Buchanan No. 1 Mine (herein "Subject Formations") all pursuant to: (1) the permit provisions contained in Section 45.1-361.27 *et seq.*, Code of Virginia, 1950 as amended; (b) the Oakwood Coalbed Gas Field Order No. OGCB 3-90 dated May 18, 1990; (c) the Board's Order No. VGOB No. 92/01/21-0180 dated as of February 18, 1992; (d) §§480-05-22.1 *et seq.*, Gas and Oil Board Regulations; and (e) §§ 480-05-22.2 *et seq.*, Virginia Gas and Oil Board Regulations, all as amended from time to time (herein "Pooling Order"). The Pooling Order was amended and supplemented by the Board's Supplemental Order Regarding Elections entered in VGOB Docket No. 92-04/21-0216 executed on July 11, 1996 and filed on July 18, 1996 in Deed Book 451 at Page 183 (herein "Supplemental Order"); by the Board's Amended Supplemental Order Regarding Docket Number VGOB 92-04/21-0216 executed August 25, 1997 and filed September 3, 1997 in Deed Book 466 at Page 321 (herein "First Amended Supplemental Order"); by the Board's Amended Supplemental Order entered June 26, 1998 and filed July 14, 1998 at Deed Book 478 at Page 646 (herein "Second Amended Supplemental Order"); by the Board's Amended Supplemental Order entered April 26, 1999 and filed April 30, 1999 at Deed Book 491, Page 249 (herein "Third Amended Supplemental Order"); and by the Board's Amended Supplemental Order entered April 12, 1999<sup>1</sup> (herein "Fourth Amended Supplemental Order"). The Board named PGP as the Unit Operator of Subject Drilling Unit. By letter dated June 25, 1999 the Board noticed the Applicants, the Unit Operator and the Escrow Agent of its

---

<sup>1</sup> By Board order entered April 12, 1999 funds on deposit in the escrow account which were attributable to Tracts 52, 52A, 52B, 54, 55A and 55D were disbursed to Torch and PGP. By Board order entered February 17, 1999 in VGOB Docket 97-04/15-0577 funds on deposit in the Escrow Account which were attributable to Tract 57 were disbursed to Torch and Garden.

intention to hear this matter on July 20, 1999, ordered the Unit Operator to file with the Board an accounting of funds placed on deposit in the escrow account for the SLW8 Drilling Unit attributable to Tracts 45, 56A, 58 and 58A, and ordered the Unit Operator and the Escrow Agent to reconcile their accountings with respect to same (herein "Accounting Order").

4.2. As instructed by the Board through the Pooling Order, the Supplemental Order, and the Amended Supplemental Orders, the Escrow Agent established the Escrow Account for Subject Drilling Unit (herein "Escrow Account"), and thereafter the Escrow Agent periodically received from the Unit Operator for deposit into the Escrow Account proceeds which were designated by the Operator through its royalty statements as being attributable to various tracts identified in the attached Exhibit E and the attached Accounting. By letter dated June 25, 1999, the Board ordered PGP to file with the Board an accounting of funds on deposit in the Escrow Account attributable to Tracts 45, 56A, 58 and 58A (herein "Accounting Order").

4.3. Through their application herein, Applicants sought a royalty accounting, determination of the funds on deposit in the Escrow Account for Tracts 45, 56A, 58 and 58A of Subject Drilling Unit, and disbursement to Torch and Coal Mountain of all such Escrowed Funds attributable to Tract 45 pursuant to their written agreement; disbursement to Torch and PGP of all such Escrowed Funds attributable to Tract 56A pursuant to their written agreement; and disbursement to Coal Mountain and Garden of all such Escrowed Funds attributable to Tracts 58 and 58A pursuant to their written agreement. However, at the hearing of this matter Torch and PGP advised the Board that notwithstanding the fact that: (1) through Exhibit E to the Fourth Amended Supplemental Order, copy attached hereto, the Unit Operator represented that Hugh Macrae Land Trust (herein "Trust") is the sole coal fee owner of Tract 56A and Trust has assigned to Torch its rights to any funds on deposit in the Escrow Account established for Subject Drilling Unit, and (2) PGP is the sole oil and gas fee owner of Tract 56A, Trust/Torch and PGP/Unit Operator has since discovered through further due diligence that Trust and PGP are not the sole owners of the coal, gas and oil underlying Tract 56A and that Torch and PGP are not entitled to disbursement of the funds on deposit which are attributable to said tract. Based on the facts recited in this Paragraph, Torch and PGP asked the Board for leave to amend their application herein to withdraw their request for relief with respect to Tract 56A. The Applicants warranted and represented to the Board that:

- (1) Hugh Macrae Land Trust (herein "Trust") is the sole owner of the coal estate underlying Tracts 45 of the SLW8 Drilling Unit, however, by Assignment and Bill of Sale dated December 29, 1997 (herein "Assignment") Trust assigned to Torch its conflicting coalbed methane gas royalty interest in said tracts including all its interest in the funds on deposit in the Escrow Account which the Unit Operator attributes to Tract 45;
- (2) Coal Mountain is the sole owner of oil and gas estate underlying Tract 45 of the SLW8 Drilling Unit, and Coal Mountain is the sole owner of the coal estate underlying Tracts 58 and 58A of the SLW8 Drilling Unit;
- (3) Garden is the sole owner of the oil and gas estate underlying Tracts 58 and 58A of the SLW8 Drilling Unit;
- (4) That together Trust and Coal Mountain have and own, in the aggregate, the following Gas royalty interest in Subject Drilling Unit by virtue of their respective ownership interests in Tract 45 and the terms of their leases pertaining to same, and that Trust has assigned to Torch its interest in funds deposited by the Unit Operator into the Escrow Account established by the Board for the SLW8 Drilling Unit with respect to said tract:

Tract #	Acres	Interest in Unit	Funds on Deposit
---------	-------	------------------	------------------

as of May 31, 1999			
45	4.324	2.37807%	\$896.15

- (5) That together Coal Mountain and Garden have and own, in the aggregate, the following conflicting Gas royalty interest in Subject Drilling Unit by virtue of their respective ownership interests in Tracts 58 and 58A and the terms of their leases pertaining to same:

Tract#	Acres	Interest in Unit	Funds on Deposit As of May 31, 1999
58	8.23	4.52626%	\$1,702.95*
58A	7.14	3.92679%	\$1,506.90

- (6) While at the time of the entry of the Pooling Order, as amended, Trust and Coal Mountain had conflicting claims of ownership in Tract 45, subsequent to the entry of the Pooling Order, Trust, Torch and Coal Mountain entered into a Split Agreement whereby Torch and Coal Mountain are each entitled to receive a sum equal to fifty percent (50%) of funds due from PGP pursuant to the terms of their leases, including, but not necessarily limited to such funds on deposit in the Escrow Account;
- (7) While at the time of the entry of the Pooling Order, as amended, Coal Mountain and Garden had conflicting claims of ownership in Tracts 58 and 58A, subsequent to the entry of the Pooling Order, Coal Mountain and Garden entered into a Split Agreement whereby each of them is entitled to receive a sum equal to fifty percent (50%) of the funds to them pursuant to the terms of their leases, including, but not necessarily limited to such funds on deposit in the Escrow Account;
- (8) Applicants have represented to the Board that notice of their Application was given in accordance with Va. Code 45.1-361.19, and the Board received no objections to it.

4.4. In compliance with the Accounting Order, PGP presented to the Board an accounting of funds deposited into the Escrow Account for Tract 45, 58 and 58A, including interest accruing thereon and fees charged to the Escrow Account and with a reconciliation of PGP's records of Escrowed Funds to the records of the Escrow Agent, a copy of which accounting is attached hereto as Exhibit A (herein "Accounting").

4.5. The Applicants represented to the Board that they were provided with a copy of the Accounting, have reviewed same, and that Applicants are in agreement that the sums set forth in Paragraph 4.3(4) and 4.3(5) above accurately reflect the Escrowed Funds attributable to Tracts 45, 58 and 58A of Subject Drilling Unit. Torch and Coal Mountain seek disbursement to them, in the aggregate, the sum of \$896.15 from the Escrow Account for the SLW8 Drilling Unit. Coal Mountain and Garden seek disbursement to them, in the aggregate, the sum of \$3,209.85 from the Escrow Account for the SLW8 Drilling Unit.

**5. Findings:**

5.1. Va. Code 45.1-361.22.5 provides:

*The Board shall order payment of principal and accrued interests, less escrow account fees, from the escrow account to conflicting claimants within thirty days of receipt of notification of (i) a final decision of a court of competent jurisdiction adjudicating the ownership of coalbed methane gas as between them or (ii) an agreement among all claimants owning conflicting estates in the tract in question or any undivided interest therein. The amount to be paid to the conflicting claimants shall be determined based on the percentage of ownership interest of the conflicting claimants as shown in the operator's supplemental filing made part of the pooling order that established the escrow account, the operator's records of deposits attributable to those tracts for which funds are being requested, and the records of the escrow account for*

*the coalbed methane gas drilling unit. The interests of any cotenants who have not entered into an agreement shall remain in the escrow account.*

- 5.2 The Board lacks the statutory authority to supercede, impair, abridge or affect any contractual rights or other obligations existing between the Operator and the Applicants. The Operator and the Applicants have acknowledged such limitation and have, therefore, agreed that no such party will argue or contend in other pending or future proceedings or actions inter se (including without limitation Levisa Coal Company, et al. v. Consolidation Coal Company, et al., Civil Action No. 97-0117-A pending in the United States District Court at Abingdon) that the findings and/or order of the Board herein bar their assertion of any claims or defenses, including payment, or otherwise constitute a waiver or an estoppel in such other proceedings or actions.
- 5.3 Notwithstanding the fact that Trust is challenging PGP's royalty calculations and/or payments under the terms of its voluntary lease with PGP, Trust has assigned its right to the escrowed funds to Torch and Torch has entered entered into a Split Agreement with PGP, and Coal Mountain has likewise entered into a Split Agreement with Garden whereby, as applicable, they each have agreed to split on a 50/50 basis royalties attributable to their respective conflicting claims to coalbed methane gas, including but not limited to their conflicting claims to ownership of coalbed methane gas underlying Tracts 45, 58 and 58A of Subject Drilling Unit and their conflicting claims to bonuses and/or royalties deposited by PGP in the Escrow Account which are attributable to said tracts. Based upon the Split Agreements, the Applicants', through their application herein, seek among other things, disbursement to them in accordance with the terms of the Split Agreements those funds set forth in 4.3(4), 4.3(5), and 4.5 above.
- 5.1. According to the Pooling Order, the Supplemental Orders, the Amended Supplemental Orders, the Accounting and the Application filed in this matter: (a) the funds deposited by PGP into the Escrow Account for Subject Drilling Unit consists of payments calculated by PGP to be due those persons identified in Exhibit E hereto and (b) PGP has represented to the Board through the Accounting that as of May 31, 1999 the funds set forth in Paragraphs 4.3(4), 4.3(5), and 4.5 above are those funds on deposit in the Escrow Account which are attributable to Tracts 45, 58 and 58A all as more particularly reflected in the Accounting, and (c) Applicants have made the warranties and representations to the Board set forth in Paragraph 4.3 above.
6. **Relief Granted:**

For the reasons set forth in Paragraph 4 and 5 above, and based upon the Accounting, the Escrow Agent is ordered to disburse via wire transfer in accordance with instructions provided to the Escrow Agent by Applicants' counsel: (1) the sum of \$448.08, plus any additional payments and interest and less fees which accrue thereon from the date of the Accounting through the date of disbursement, to Torch Energy Advisors Incorporated, (2) the sum of \$2,053.00, plus any additional payments and interest and less fees which accrue thereon from the date of the Accounting through the date of disbursement, to Coal Mountain Mining Company Limited Liability Partnership L.L.P f/k/a Coal Mountain Mining Company and as Coal Mountain Mining Trust, and (3) the sum of \$1,604.92, plus any additional payments and interest and less fees which accrue thereon from the date of the Accounting through the date of disbursement, to Garden Realty Corporation. Further, the Amended Supplemental Orders filed in this cause are hereby modified to delete the requirement that lease payments attributable to Applicants' conflicting coalbed methane gas ownership interests in Tracts 45, 58 and 58A be deposited by PGP into the Escrow Account. Torch's and PGP's motion to amend their application to withdraw their request for relief with respect to Tract 56A is granted. To the extent not specifically granted herein, any other or further relief is denied.

7. Conclusion:

Therefore, the requested relief and all terms and provisions set forth above in Paragraph 6 above be and hereby are granted and IT IS SO ORDERED.

8. Appeals:

Appeals of this Order are governed by the provisions of Va. Code § 45.1-361.9 which provides that any order or decision of the Board may be appealed to the appropriate circuit court and that whenever a coal owner, coal operator, gas owner, gas operator, or operator of a gas storage field certificated by the State Corporation Commission is a party in such action, the court shall hear such appeal de novo.

9. Effective Date: This Order shall be effective on the date of its execution.

DONE AND EXECUTED this 17<sup>th</sup> day of August, 1999, by a majority of the Virginia Gas and Oil Board.

  
Chairman, Benny R. Wampler

DONE AND PERFORMED this 20<sup>th</sup> day of August, 1999, by an Order of this Board.

  
Byron Thomas Fulmer  
Principal Executive to the Staff

The wiring instructions for the portion of the funds to be paid on behalf of Garden Realty Corporation are:

Bank Name: Centura Bank  
Bank ABA No: 053100850  
Account Name: Garden Realty Corporation  
Account No: 3250011144

The wiring instructions for the portion of the funds to be paid on behalf of Coal Mountain Mining Co. Limited Liability Partnership, LLP, are

Bank Name: First Virginia Bank, SW Roanoke, VA  
Bank ABA No: 051402903  
Account Name: Coal Mountain Mining Co., Limited Liability Partnership, LLP  
Account No: 00009121

I would appreciate it if the escrow agent would provide a letter or memorandum stating the amount wired and a breakdown by units with the portion of the funds wired attributable to that unit. My clients will need this information for their accounting records. I would also appreciate it if the escrow agent would advise me when the funds are being wired so I may notify my clients. Please call me if you have any questions. Thank you.

Sincerely,

PENN, STUART & ESKRIDGE
