

4. **Prior Proceedings:**

- 4.1. On April 4, 2005, the Board executed its order pooling interests in the Subject Drilling Unit for the production of occluded natural gas produced from coalbeds and rock strata associated therewith (herein "Gas") in accordance with the provisions of Va. Code §§ 45.1-361.21 and 45.1-361.22 (herein "Pooling Order"). The Pooling Order was filed with the Clerk of the Circuit Court of Dickenson County on April 6, 2005 in Deed Book 410 at page 592. The Pooling Order was amended and supplemented by the Board's Supplemental Order regarding elections executed on July 21, 2005 that was filed with the Dickenson County Circuit Court Clerk's Office on July 26, 2005 in Deed Book 415 at page 047 ("Supplemental Order")(hereafter the Pooling Order and the Supplemental Order are collectively referred to as the Pooling Order). The Pooling Order named Equitable Production Company (Equitable) as Unit Operator.
- 4.2 To the extent claims to the Gas were in conflict, pursuant to Va. Code § 45.1-361-22 payments attributable to said conflicting claims were ordered deposited by the Unit Operator into the escrow account established by the Pooling Order (herein "Escrow Account"). According to the Pooling Orders the oil and gas owner coalbed methane claims of Welford Dotson and the coal owner coalbed methane claims of Pine Mountain Oil & Gas, Inc. (now Range Resources - Pine Mountain, Inc.) in a portion of a 15.72-acre tract known as VGOB Tract 3 in the Subject Drilling Unit were in conflict and became subject to the escrow requirements of the Pooling Order.
- 4.3 The Unit Operator's Miscellaneous Petition regarding VGOB Tract 3, a copy of which is attached to and made a part hereof, and testimony state under oath that Welford Dotson and Pine Mountain Oil & Gas, Inc. (now Range Resources - Pine Mountain, Inc.) have entered into an agreement and that by the terms of the agreement escrow regarding the conflicting claims of said parties is no longer required. By sworn testimony before the Board, the Unit Operator testified that VGOB Tract 3 and the interests of Welford Dotson and Pine Mountain Oil & Gas, Inc. (now Range Resources - Pine Mountain, Inc.) are subject to the agreement.
- 4.4 The Unit Operator gave notice to Welford Dotson and Pine Mountain Oil & Gas, Inc. (now Range Resources - Pine Mountain, Inc.) that the Board would take the application referred to in Paragraph 4.3 above under consideration and consider whether to: (1) amend the Pooling Order to provide for the disbursement of funds on deposit in the Escrow Account attributable to Tract 3 and the interests of Welford Dotson and Pine Mountain Oil and Gas Inc. (now Range Resources - Pine Mountain, Inc.); (2) delete the requirement that the Unit Operator place future royalties attributable to Tract 3 and the interests of Welford Dotson and Pine Mountain Oil & Gas, Inc. (now Range Resources - Pine Mountain, Inc.) in the Escrow Account, and (3) continue the escrow account under this docket number because parties other than those seeking disbursement under this order are subject to escrow.
- 4.5 The Unit Operator filed the attached accounting for Subject Drilling Unit's Escrow Account with the Board ("Accounting").

5. **Findings:**

- 5.1. Va. Code 45.1-361.22.5 provides:

The Board shall order payment of principal and accrued interests, less escrow account fees, from the escrow account to conflicting claimants within thirty days of receipt of notification of (i) a final decision of a court of competent jurisdiction adjudicating the ownership of coalbed methane gas as between them or (ii) an agreement among all claimants owning conflicting estates in the tract in question or any undivided interest therein. The amount to be paid to the conflicting claimants shall be determined based on the percentage of ownership interest of the conflicting claimants as shown in the operator's supplemental filing made part of the pooling

order that established the escrow account, the operator's records of deposits attributable to those tracts for which funds are being requested, and the records of the escrow account for the coalbed methane gas drilling unit. The interests of any cotenants who have not entered into an agreement shall remain in the escrow account.

5.2 Applicant has certified and represented to the Board that:

- (1) Welford Dotson is the owner of a share of oil and gas estate underlying VGOB Tract 3 of the Subject Drilling Unit;
- (2) Pine Mountain Oil & Gas, Inc. (now Range Resources - Pine Mountain, Inc.) is the owner of 100% of the coal-owner claim to coalbed methane underlying VGOB Tract 3 of the Subject Drilling Unit;
- (3) Welford Dotson and Pine Mountain Oil & Gas, Inc. (now Range Resources - Pine Mountain, Inc.) have entered into an agreement resolving their conflicting claims pertaining to ownership of CBM minerals and specifying that future revenues attributable to VGOB Tract 3 be paid directly to the owners according to the agreement.
- (4) Net interests to be disbursed and parties to whom the disbursements are due are shown in Table 1, below.

TABLE 1		
Owners	Tract #	% Interest in 04-0817-1325 sub-account
Welford Dotson C/O June Stanley P. O. Box 1652 Clintwood, VA 24228	3	2.7318%
Range Resources - Pine Mountain Inc. P. O. Box 2136 Abingdon, VA 24212-2136	3	0.9106%

6. **Relief Granted:**

For the reasons set forth in Paragraph 4 and 5 above, and based upon the Accounting, the Escrow Agent is ordered to, within 10 days of receipt of this executed order, disburse funds attributable to VGOB Tract 3 and the interests of Welford Dotson and Range Resources - Pine Mountain, Inc. according to percentages shown in Table 1, above, and mail each recipients payment to the address shown in Table I, above.

Exhibit E to the Pooling Orders, showing owners subject to escrow, is deleted in toto and replaced with the Exhibit E attached to this order. Further, the Order filed in this cause is hereby modified to delete any requirement that payments attributable to the conflicting coalbed methane gas ownership interests of Welford Dotson and Range Resources - Pine Mountain, Inc. in VGOB Tract 3 be deposited by the Unit Operator into the Escrow Account, and, because there are other owners subject to escrow under the Supplemental Order, the Escrow Agent is directed to continue the Escrow Account for Subject Drilling Unit. To the extent not specifically granted herein, any other or further relief is denied.

7. **Conclusion:**

Therefore, the requested relief and all terms and provisions set forth above in Paragraph 6 above be and hereby are granted and IT IS SO ORDERED.

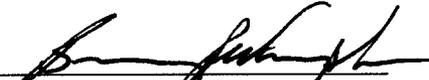

8. **Appeals:**

Appeals of this Order are governed by the provisions of Va. Code § 45.1-361.9 which provides that

any order or decision of the Board may be appealed to the appropriate circuit court and that whenever a coal owner, coal operator, gas owner, gas operator, or operator of a gas storage field certificated by the State Corporation Commission is a party in such action, the court shall hear such appeal de novo.

9. **Effective Date:** This Order shall be effective on the date of its execution.

Re: Permanent Split of CBM Royalty
Welford Dotson 32.5ac
Wells VC-504248, VC-504484, VC-505241
Dickenson, Virginia

Dear Mr. Dotson and Ms. Stanley:

As you are aware, Equitable Production Company ("EPC"), has drilled the referenced coalbed methane gas wells on a tract of land (the "Property" or "Subject Tract") in which Pine Mountain Oil and Gas, Inc. ("PMOG") owns the coalbed methane gas through its deed from the former coal owner underlying the Property and you own an undivided interest in the gas. The above has created conflicting claims as to the ownership of the coalbed methane gas on the Subject Tract between ("PMOG"), as the owner of the coalbed methane gas through its deed from the former coal owner, and you, as the owner of an undivided interest in the gas. Plats indicating the location of the wells within the operating units are enclosed for your reference.

Due to our conflicting interests in the Subject Tract, EPC, as operator of the unit, has placed all royalty proceeds attributable to our conflicting interests into an escrow account. These royalty proceeds will remain in the escrow account until either a final legal determination of our conflicting claims to the coalbed methane gas is made or we reach an agreement on the division of the royalty proceeds. The most economical and expedient way to secure a release of the escrowed funds is for us to enter into an agreement which sets forth how the funds are to be distributed. Accordingly, in order to avoid the expense and time required to resolve the ownership question through the courts, PMOG proposes resolving this matter by the agreement described below. Such an agreement will allow us to request distribution of the proceeds presently held in the escrow account and direct payment of all future proceeds.

PMOG proposes that you receive disbursement of 75% of the proceeds held in the escrow account on the above-mentioned wells and that PMOG receive disbursement of 25% of the proceeds held in the escrow account on the above-mentioned wells. PMOG proposes the same percentage division for all future production payments which may accrue to our conflicting interests from the above-mentioned wells. PMOG will, at its sole expense, pursue the administrative process required to secure release of the proceeds held in the escrow account and will absorb all future costs of administering this letter agreement. None of these expenses and costs will be deducted from your 75% of the royalty proceeds. It is also agreed that the royalty from any future coalbed methane gas wells drilled upon the subject tract or upon other lands in which the subject tract is pooled therewith will be permanently split in the same 75%/25% proportion.

If this division of proceeds is agreeable with you, PMOG will diligently pursue the administrative processes required to secure release of the proceeds in the escrow account to you and PMOG. You will be provided with copies of the correspondence to EPC, requesting distribution of the escrowed funds as well as the directive to EPC to pay all future royalties and other benefits attributable to our conflicting interests in the same 75% / 25% proportion.

This letter agreement effects a permanent division of the accrued, suspended or escrowed royalty payments and all future royalty payments on the above-mentioned wells and future wells which is binding upon you, your heirs and assigns and PMOG and its successors and assigns. By entering into this agreement, the parties agree to refrain from making any claim or bringing any suit against the other party attacking the other party's coalbed methane interests set forth in this letter agreement. It is expressly agreed by the parties hereto that the division of the accrued, suspended or escrowed royalty payments and all future royalty payments on the above-mentioned wells shall remain subject to this letter agreement, regardless of any subsequent judicial determination of ownership of coalbed methane in the Commonwealth of Virginia. Provided, however, nothing contained in this letter agreement shall change or alter the parties' common law rights and liabilities or the legal title to their respective coal and gas estates.

By entering into this letter agreement, you confirm that you are the current record title owner of an undivided interest in the gas estate underlying the tract attributed to Welford Dotson 32.5ac on the enclosed plats. If you are not the current gas owner, please notify us immediately.

By accepting the terms and conditions of this letter agreement, you are directing EPC to disburse royalties in accordance with this agreement. It is understood and agreed that no other terms or conditions of your lease with EPC are affected by this letter agreement.

Please evidence your agreement to these terms by signing this letter agreement on the line indicated below and returning this letter agreement to PMOG in the enclosed self-addressed, stamped envelope. If you have any questions, please do not hesitate to call Phil Horn at 276-619-2583.

Sincerely,
