VIRGINIA: IN THE CIRCUIT COURT OF BUCHANAN COUNTY

GREGORY G. POULOS, JASON G. POULOS,
PAMELA F. POULOS, SHAUN D. ROGERS,
KEVIN H. ROGERS, DEREK B. ROGERS and
T.G. ROGERS, III,

Plaintiffs,

v.

LBR HOLDINGS, LLC,

Defendant.

Case No. 550-13

ORDER

This matter, having come before the Court for hearing on June 2, 2014, on the parties' respective motions for summary judgment, and the Court, having reviewed the written submissions of the parties and having heard oral argument of counsel, and for good cause shown, hereby ORDERS:

1. Plaintiffs' Complaint and Defendant's Counterclaim both request that this Court, pursuant to Virginia Code § 8.01-184, declare their respective rights under the May 27, 1938, deed ("Deed") attached to Plaintiffs' Complaint as Exhibit "A."

2. The Deed includes a conveyance by T. G. Rogers and Martha F. Rogers, his wife (the "Talmage Rogers Group"), and Lloyd Rogers and Anne F. Rogers, his wife (the "Lloyd Rogers Group"), of their interests in certain parcels of property in Buchanan County, Virginia, (the "Property") and McDowell County, West Virginia, to Lon B. Rogers. The Deed specifically recites: "But there is excepted from the above-described property an undivided one-half interest in the oil and gas under said property and the same is reserved to T. G. Rogers and Lloyd Rogers,

parties of the first part, their heirs and assigns, together with the usual and necessary rights of ingress and egress and drilling rights to explore, get and remove said oil and gas.”

3. It is undisputed that Plaintiffs are the successors to the interests of the Talmage Rogers Group under the Deed, and that Defendant, LBR Holdings, LLC (“LBR”), is the successor to the interests of Lon B. Rogers and the Lloyd Rogers Group under the Deed.

4. Plaintiffs seek a declaration that the Deed’s reservation of gas under the Property includes, *inter alia*, coalbed methane gas, and that they are, therefore, the owners of 25% of the coalbed methane gas under the Property and entitled to the associated royalties. LBR, on the other hand, seeks a declaration that the Deed’s reservation of gas under the Property does not include coalbed methane gas, that the Deed, therefore, conveyed coalbed methane gas to Lon B. Rogers, and that LBR, as Lon B. Rogers’ successor-in-interest, is the owner of all the coalbed methane gas under the Property and entitled to the associated royalties.

5. Having examined the reservation language and the “four corners” of the Deed, the Court finds that the Deed is unambiguous and that the Deed’s reservation of “the oil and gas under said property” includes a reservation of coalbed methane gas under the Property. Plaintiffs are, therefore, entitled to prevail as a matter of law.

6. Coalbed methane gas is obviously “gas,” see *Harrison-Wyatt, LLC v. Ratliff*, 593 S.E.2d at 234, 238 (Va. 2004) (coalbed methane “is a gas”); and there is nothing in the Deed that removes coalbed methane or any other type of gas from the scope of the reservation. The language at issue is unlimited, plain, and unambiguous.

7. LBR argues that “the oil and gas” does not mean “all” but only “some” gas. The Court agrees with Plaintiffs, however, that the reservation of “the” gas is not a limited reservation of only some types of gas, but an unambiguous and unlimited reservation of all gas. Such an

interpretation of "the" is in accordance with the ordinary, plain and common sense meaning of the word.

8. LBR also argues that the parties to the Deed would not have intended to include coalbed methane gas in the reservation because, according to LBR, the commercial value of coalbed methane was not known in 1938. LBR presented no evidence in support of this argument and Plaintiffs presented undisputed evidence to the contrary. Regardless, this Court is bound to uphold the unambiguous reservation language, which refers to gas without qualification or limitation, and which, as written, encompasses all types of gas, whether commercially exploitable at the time of the Deed's execution or not.

9. The Court concludes that the arguments and authorities presented by Plaintiffs in their motion and reply brief are well-founded and correct. A ruling in LBR's favor would require the Court to rewrite the Deed, which it will not do. Nor will the Court torture words and phrases or engage in speculation to create an ambiguity where the ordinary meaning of the words leaves no room for ambiguity.

10. There are no issues of material fact in dispute regarding Plaintiffs' ownership of 25% of the coalbed methane gas under the Property. The Court grants Plaintiffs' motion for summary judgment in full and denies LBR's motion for summary judgment in full.

11. This Order constitutes a judicial determination of coalbed methane gas ownership as between Plaintiffs and LBR pursuant to Virginia Code § 45.1-361.22(5)(i) and resolves in Plaintiffs' favor all conflicting claims of coalbed methane gas ownership between Plaintiffs and LBR relating to the Property.

12. Plaintiffs are entitled to receive all coalbed methane gas royalties attributable to their 25% gas estate interest in the Property that are being held in the Virginia Gas and Oil Board's

150001733

escrow account or otherwise being withheld from Plaintiffs due to the conflicting claims of coalbed methane ownership between Plaintiffs and LBR. Plaintiffs are also entitled to receive all future coalbed methane gas royalties or other proceeds that are attributable to their 25% gas estate interest in the Property. All such royalties and proceeds shall be divided among the individual Plaintiffs in accordance with their respective percentages of ownership.

SO ORDERED, this the 10th day of July, 2014.
