EXHIBIT A

- VC-703169 0670 Escrow account was originally set up incorrectly. EQT overpaid into the account and thought this needed reimbursed before EQT could request disbursement but EQT was informed it can do an exact pay to EQT in order to get this put on docket for disbursement.
- VC-537150 1888 Escrow account was originally set up incorrectly. EQT overpaid into the account and thought this needed reimbursed before EQT could request disbursement but EQT was informed it can do an exact pay to EQT in order to get this put on docket for disbursement.
- VDP-773738 0612 This well is a dual producer and was inadvertently missed due to not realizing there was one well subject to the CBM.
- VC-535601 1372 Prior disbursement was incorrect. EQT submitted payment to make correction. Correction was made but due to lack of W9s, a lot of research needed done and petition needed revised.
