

## **New Clean Energy Compressed Natural Gas (CNG) Fueling Station Opens to Serve Richmond Area Vehicle Fleets**

Located at Quarles Fuel Network's Maury St. Facility, New CNG Station Will Support Clean-Running CNG Refuse Trucks, Buses & Municipal Vehicles

Natural Gas – CNG – has reached a major milestone in the River City. The city's new compressed natural gas fueling station has opened on Maury Street in Richmond, Virginia in partnership with the Commonwealth of Virginia, Clean Energy, Quarles Petroleum, and the City of Richmond. This station, located at 211 Maury Street just off I-95, provides rapid fueling service to public and fleet CNG-powered natural gas vehicles, and is accessible 24/7 to anyone with a credit card or fleet card.
