

**PUBLIC NOTICE OF INTENT TO ENTER  
TO CONDUCT RECLAMATION ACTIVITIES**

(Abandoned Mine Land Program)

IN THE MATTER OF: **West Dante Portals Project**

---

**TO WHOM IT MAY CONCERN:**

The Department of Mines, Minerals, and Energy, Division of Mined Land Reclamation, of the Commonwealth of Virginia, pursuant to the authority granted in the Virginia Coal Surface Mining Control and Reclamation Act of 1979 (Chapter 19, Article 4, Section 45.1-260 et seq.) with funding provided by the **2012** Consolidated Grant, has determined and found that:

Land located **between Rt. 627 and Rt. 650 near the community of West Dante** in **Dickenson** County and **Russell** County Virginia, has been adversely affected by past coal mining practices, to wit:

1. Property owners, both known and unknown, are hereby notified of the Division's intention to reclaim the area adversely affected by past coal mining practices. The purpose of this Notice is to provide notice to any landowners, heirs, assigns and devisees who may be affected by the proposed reclamation and who have not been identified and who have not granted written consent.
2. The public health, safety and property is endangered by: **open mine entries, open auger holes and unstable areas associated with these openings; subsidence cracks; hazardous mine equipment, debris and facilities and mine drainage.**
3. The proposed action consists of:
  - a) Construction, improvement and maintenance of access roads including temporary stream crossings as needed. Temporary stream crossings will be removed upon completion of this work.
  - b) The permanent closure of abandoned mine entries and auger holes. Pipes will be installed as needed to ensure positive drainage and unstable areas associated with these openings will be stabilized.
  - c) Controlling mine drainage by constructing surface ditches and installing properly sized
