

**Public Hearing  
Appalachian Stone Mine Permit Application  
Tannersville VA  
23 July 2008**

**Summary**

A Public Hearing on the Appalachian Stone mine permit application was held at 7:00PM at the Tannersville Community Center. Public review of the permit documents started at 5:30 PM. The hearing was held at the request of 3 property owners near the proposed operation. Approximately 36 people attended the hearing, and 11 people expressed their concerns about potential impacts associated with the mine operation. The meeting was adjourned at approximately 8:30 PM.
