

NOTICE OF COMMITTEE WORKSHOP
OF THE
VIRGINIA GAS AND OIL BOARD

Considering

Post Production Cost Allowances in Force Poolings

A committee of the Virginia Gas and Oil Board (Board) will meet at 2:00 p.m. on **Thursday, December 18, 2008**, at the Bonanza Restaurant in Lebanon, Virginia. The first order of business will be for the committee to choose its chairperson. Afterwards, the group will begin the evaluation of written public comments previously submitted to the Board and information from previous Board hearings in regard to post production cost allowances in a force pooling.

A public comment period on this matter was open May 15 through June 15, 2008. The Board chose to accept additional written comments from interested parties at its July 2008 meeting. For the December meeting, the board has requested expert testimony / presentations from gas operators relative to definitions of costs and reasoning of operational deductions depicted within the board orders. Only scheduled public comments requested and approved by the committee will be heard at the December 18, 2008.

A report with recommendations by the committee to the full Board is expected later this year.

All questions concerning the work session should be directed to the Division of Gas and Oil by telephoning 276-676-5423.
