MEMORANDUM

TO: Gas and Oil Operators

FROM: Rick Cooper
Department of Mines, Minerals and Energy
Division of Gas and Oil

SUBJECT: Electronic Filing of Objections

DATE: December 07, 2017

We are proud to announce our new eForms feature, which allows citizens and operators to submit objections and appeals electronically. We are asking that permit applications include reference to this new filing option, by providing the notified parties with the following link:

<https://www.dmme.virginia.gov/dgo inquiry/frmmain.aspx>

This link will take the user to our Data Information System, where we have links for filing objections and appeals. We do not require, but strongly recommend electronic filing, as it will use emailing to streamline the process of communication and accessibility of information.

Thank you in advance for your cooperation and assistance with this effort. If you have any questions, please contact the Division of Gas and Oil at 276-415-9700.
