You must indicate the Objection Criteria on which you would like to file your appeal. Notice that only criteria that are related to your original objection will appear to choose from.

Appealing the decision related to objection(s):

Note: The only items appearing to be selected for the appeal are those items contained in the original objection or hearing.

*** Royalty Owner Objection:**

Check all of the following that you wish to appeal

1. The proposed operation(s) would directly impinge upon the royalty owner's gas and oil interest.

Relief Sought:

The Relief Sought information is read only and is compiled from the information on file.

John Smith, has appealed the decision of the Director issued on 07/26/17, for Objection number 5 regarding application number 29781 from EnerVest Operating, LLC for proposed well VCI-539512 w/PL, located in the Kenady Magisterial District, DICKENSON County, Virginia.

The Relief Sought will automatically populate and nothing further will need to be added to this section, unless you choose to add an attorney to the correspondences. In that case, the text will update with the attorney information. The Relief Sought will be published on the docket for the hearing at which your appeal will be heard.

Finally, you are welcome to add any comments or attachments you would like, before submitting your appeal.

Comments:

Insert any comments in the text box below as to your reason for requesting this appeal.
