

DIRECTIONS TO

Virginia Department of Mines, Minerals and Energy
Division of Geology and Mineral Resources
Division of Mineral Mining
900 Natural Resources Drive
Charlottesville, VA 22903
(434) 951-6310

From Interstate 64 (traveling west to Charlottesville) – from Richmond

- Take exit 118-B (29 North, Charlottesville and Culpeper) stay in the far right hand lane and take the exit (29 North-Business) – look for Fontaine Research Park sign
- Stay in the right lane and turn/yield right onto Fontaine Avenue
- Go to the first stop light (approx 0.2 miles) and turn right onto Ray Hunt Drive (this is the entrance into the Fontaine Research Park)
- At the yield sign at top of hill, turn right and follow the signs to the Commonwealth of Virginia/Department of Forestry building (approximately 1 mile).

From Interstate 64 (traveling east to Charlottesville) – from Staunton / Waynesboro

- Take exit 118-B (29 North, Charlottesville and Culpeper); please note the on/off ramp is very short and the exit is steeply banked
- After merging onto Route 29 North, move into the far right hand lane, take the exit (29 North-Business) – look for Fontaine Research Park sign
- Stay in the right lane and turn/yield right onto Fontaine Avenue
- Go to the first stop light (approx 0.2 miles) and turn right onto Ray Hunt Drive (this is the entrance into the Fontaine Research Park)
- At the yield sign at top of hill, turn right and follow the signs to the Commonwealth of Virginia/Department of Forestry building (approximately 1 mile).

From Route 29 (traveling north to Charlottesville) – from Lynchburg

- After passing under I-64, move into the far right lane and take the first exit (29 North-Business)
- Stay in the right lane and turn/yield right onto Fontaine Avenue
- Go to the first stop light (approx 0.2 miles) and turn right onto Ray Hunt Drive (this is the entrance into the Fontaine Research Park)
- At the yield sign at top of hill, turn right and follow the signs to the Commonwealth of Virginia/Department of Forestry building (approximately 1 mile).

From Route 29 (traveling south to Charlottesville) – from Culpeper / Washington, D.C.

- After the Hydraulic Road intersection, move into the right most lane (you will see a Holiday Inn on the right side of the road past the Exxon); take the 29 South/250 bypass exit (this is a short merge lane onto the bypass)
- Continue for approximately 2.8 miles (look for a blue sign for the Fontaine Research Park exit)
- Exit at 29 Business and turn left onto Fontaine Avenue
- Pass under the 29 South/250 Bypass and merge into the far right lane
- At the stop light, turn right onto Ray Hunt Drive into the Fontaine Research Park entrance
- At the yield sign at the top of the hill, turn right and follow the road signs to the Commonwealth of Virginia/Department of Forestry building (approximately 1 mile)

Parking and Main Entrance

Please use the visitors parking area in the front of the building near the flagpoles. Enter the building through the main entrance.

- To your right is the main lobby area where the Division of Geology and Mineral Resources **sales office** is located. The customer kiosk to place your sales order is behind the counter.
- The hallway on your left has the offices of the **Division of Geology and Mineral Resources** and the **Division of Mineral Mining** (end of hallway).
- For **certification training classes** - upon entrance into the building turn left. The training room is the first door on your left.
